

- Kathleen was very positive and energetic. She used a variety of learning strategies, including lecture, discussion and hands-on! She answered everybody's questions and made the material relevant to me as a teacher.
- Teacher presence, knowledgeable, flexible, motivating, informative, engaging.
- Kathleen was so prepared for class and had a general interest of our success. She was very knowledgeable and took time to find answers to our questions if she did not know them.
- Kathleen was full of knowledge of ESL education and curriculum. If she didn't the answer to a student's question she would make a point to find the correct answer for next class.
- Prepared for class, great activities and examples, good explanation of concepts/activities to help us engage with material.
- Very knowledgeable and rich experience. Articulate and humorous. Responded to students' questions really well.
- Fun and engaging activities, looked up stuff we had questions about, encouraging, made material very relevant. For example, many of us going to teach internationally so we have a class about how to.
- Passionate, flexible, informative, if she didn't know an answer, she got it for us. Funny.
- Well prepared, useful material, wonderful stories of teaching ESL which could be applied and used in future teaching, if she didn't know how to answer a question – she got back to us.
- Provided lots of great examples and resources for back up her ideas.
- Incredibly welcoming, laid back, knowledgeable, approachable, and fun to be around, provided tons of useful activities and information.
- Amazing instructor, she has great knowledge and information on the subject. Her personal experience is valuable in this course. Very approachable, friendly and passionate. One of my favorite teachers at UVic. She responded to our concerns and answered any questions we had, Assignments/classes were engaging, relevant and fair.
- Kathleen was an amazing instructor. She made her lectures fun and engaging and often shared her personal experience which helped to concrete my understanding of the material.

Please provide specific suggestions as to how the instructor could have helped you learn more effectively.

- Maybe a unit/more lesson planning for experience sake.
- Give a rubric for assignments, some areas needed to be more specific.
- Nothing, course was great!
- All relevant topics!
- She did everything she could and I appreciate it.
- Nothing, the course was great.
- No suggestions.
- None that I can think of.
- A variety of presentation of info ie. Movies, music, etc.
- Did an excellent job! No suggestions.
